

I am writing to you to let you know how important my Klove station is to me in my community. I listen every day and find it uplifting and critical to my daily well-being. I am reached best by music and I feel that our community would be negatively affected by replacing Klove with a LPFM broadcaster. I do not want to lose this station. I have not heard many (if any) that offer the same kind of programs. I also believe that the service provided by Klove serves my community. I often see the Klove bumper sticker on vehicles and feel a common bond knowing I am listening to the same uplifting music as they are. I also am a school teacher at the middle school level and I feel the music on Klove is very appropriate and "hip" for this age as well. I am able to share my love of music and the Lord through the common language of Klove. Please don't take this from me and others. I know that other stations would not be able to give us what Klove does. Please do not replace Klove with an LPFM station.

Thank you.

Debra Hunt
